SECTION ONE (Annual Membership Pledge / Financial Commitment)

The B'nai Israel membership pledge fees are structured to encourage young adults to take an active role in the congregation. Please select the appropriate membership category below. (Membership category is based on the age of the oldest member of the household.)

Pledge contributions above the standard membership provide the funds necessary to help our congregation serve all of our members, regardless of their means. No person will be denied membership in B'nai Israel because of the inability to make the standard pledge. Please select a level below, voluntarily supporting Congregation B'nai Israel in a manner that best matches your ability. As B'nai Israel copes with the recession, we are asking those who are able, to please consider increasing their pledge. A little or a lot—either way, it's a mitzvah.

SECTION TWO—Payment Options

In order to receive High Holy Days tickets or participate in religious school, you must have a current membership pledge form on file in the temple office and your account must be current, or you must have made arrangements with the Temple Administrator. If you cannot pay the full dues for any reason, please complete a Membership Adjustment Form and return it to the temple office along with your Pledge Form.

All membership pledges will be billed as an annual amount and must be paid in full, and are due not later than June 30, 2010. You may make payments in periodic payments. Please indicate how often you will make pledge payments:

- Annually Quarterly Semi-Annually Monthly

You may pay for the full annual amount with your pledge form, or can make regular payments. **In an effort to better predict our revenue flow, you now have the opportunity to authorize an automatic deduction from your checking account. (This method is more cost effective for the temple than using your VISA or MASTERCARD.)**

Please check below to indicate your payment preference:

_____ I am including the full amount with this pledge form.

_____ I authorize the temple to deduct payment from my checking account.
